3. ACQUIRER TERMS

- 3.1 The Sponsored Merchant acknowledges that it will have the ability to receive payments from its Clients which are funded through credit or debit card facilities. In certain circumstances, the operators of those card schemes (for example, Visa International and MasterCard International and/or their affiliates) (**Card Schemes**) may require that the Sponsored Merchant enters into a direct contractual relationship with the bank that acquires those transactions and which is a member of the schemes administered by those Card Schemes. The terms set out in this Part A (Acquirer Terms) are entered into pursuant to such requirements and create a tripartite contractual relationship between the Sponsored Merchant, the Provider and Macquarie.
- 3.2 While these Acquirer Terms establish a direct contractual relationship between the Sponsored Merchant and Macquarie, the Sponsored Merchant acknowledges that they do not make Macquarie responsible for the Services or any related services, which are supplied to the Sponsored Merchant directly by the Provider and are governed by Part B (Facilitator Terms).

4. COMMENCEMENT & TERM

- 4.1 By supplying this Agreement Macquarie (through the Provider or otherwise) or submitting a transaction request to the Provider, the Sponsored Merchant is deemed to have read, understood and accept the terms of this Agreement and is making a standing offer to Macquarie to enter into it and comply fully with its terms. The Sponsored Merchant Agreement:
- a) commences on (the earlier of) the Effective Date or when the Sponsored Merchant supplies this Agreement to Macquarie (through the Provider or otherwise) or submits a transaction request to the Provider, provided that Macquarie's obligations do not

5.4 If this Agreement is terminated, the Sponsored Merchant must immediately cease using the Services from the effective time of such termination.

5.5 The Sponsored Merchant acknowledges that the terms contained within this Part A will survive and continue to apply to the Sponsored Merchant notwithstanding such termination. This will not prevent the Sponsored Merchant from receiving Services through the Provider through separate arrangements made by the Sponsored Merchant with another member of the schemes administered by the Card Schemes.

6. COMMITMENTS OF THE SPONSORED MERCHANT

6.1 The Sponsored Merchant must ensure that, and it is an essential term of this Agreement that, it complies in all respects with all requirements, obligations, limitations, restrictions and conditions in any rules and requirements issued from time to time by the Card Schemes that regulate participants in the respective Card Schemes (**Scheme Rules**) in so far as they relate to the Sponsored Merchant's use of the Services it receive from the Provider to accept payments from the Sponsored Merchant's Clients. - 7.4 Subject to any clause to the contrary (including any losses specifically excluded), to the maximum extent permitted by applicable law, Macquarie excludes all liability to the Sponsored Merchant in connection with this Agreement. Where, for any reason, such liability cannot be excluded, then Macquarie's maximum aggregate liability to the Sponsored Merchant in connection with this Agreement or its subject matter will not exceed the amount of \$500.
- 7.5 The limitations and exclusion of liability in this clause 7 apply regardless of the basis on which such liability arises, whether in contract, tort (including negligence), under statute, indemnity or otherwise) or under any other theory of liability. They also apply whether or not the relevant loss or damage was foreseeable and whether or not Macquarie had been advised of the possibility of the loss or damage.

the relevant card transaction is completed, and the Sponsored Merchant must do it in such a way that allows a Client to cancel the transaction if they choose to do so, without them incurring any cost;

- b) accept any valid and acceptable card in a transaction (but must not accept a card for the purpose of giving a Client cash);
- c) perform all obligations (including supplying all goods and/or services) to the Client in connection with a sale before informing the Provider or Macquarie about the sales transaction (except in the case of future dated payment transactions);
- d) not sell, purchase, provide or exchange any information or document relating to a Client's account number, or card number, or a transaction, to any person other than:
 - A. Macquarie or the Provider;
 - B. the agents the Sponsored Merchant uses in its business for an approved purpose;

 - C. inform a Client not billed in the transaction currency that each instalment amount may vary due to currency conversion rate fluctuations;

- a) immediately notify the Provider it becomes aware of or suspects fraud on the part of a person presenting a card for use in a transaction;

card, in accordance with relevant Privacy Laws and Data Security Standards.

22. SPONSORED MERCHANT WEBSITE

- 22.1 Unless the Provider notifies the Sponsored Merchant in writing that any of the information detailed in clause 22.2 below (in whole or in part) is not required, the Sponsored Merchant must, before accepting any transaction utilising the Services, establish and maintain a website (at its own cost) that complies with the Scheme Rules and with all applicable other laws, regulations, guidelines or standards;
- 22.2 The Sponsored Merchant's website must clearly display the following minimum information:
- a) the relevant business name and Australian Business Number (as applicable) of the entity to whom the website relates;

 - g) the privacy policy and how personal information obtained on the website will be dealt with or shared about the Client;
 - h) details of the return and refund policy, including how a transaction can be cancelled by a Client; and
 - i) a description of the measures in place to maintain the security of:
 - A. Clients' account data; and

 - c) telephone or fax number,
- appearing on the transaction receipt, it must advise Macquarie and the Provider in writing at least 10 business days prior to the change taking effect.
- 22.5 The Sponsored Merchant must provide Macquarie with reasonable access to view, monitor and audit the pages of the website managed by the Sponsored Merchant upon reasonable request from Macquarie.

- 23.1 To the extent applicable, the Sponsored Merchant must:

- 23.3 The Sponsored Merchant acknowledges and agrees that obtaining Authorisation for a transaction processed by the Sponsored Merchant is not a guarantee of payment arising from that transaction. An Authorisation only confirms that at the time the Authorisation was obtained that the card number exists and is valid and the card has not been listed as lost or stolen at the time of the transaction and that the card has sufficient funds to cover the transaction. For example, it does not guarantee that the person using the card is the genuine holder of that card.
- 23.4 The Sponsored Merchant acknowledges and agrees that to participate in the Authentication Procedures, it must:
- a) currently be approved by Macquarie to carry out payment services;
 - b) have had its payment processing systems, payment services gateway provider or any intermediary it wishes to use approved by Macquarie;
 - c) maintain and operate the Merchant Software in accordance with all the requirements which

- Macquarie, the Card Schemes or the Provider have notified to the Sponsored Merchant;

 - e) comply with all manuals, guides or directions Macquarie, the Provider or the Card Schemes provide from time to time regarding the Authentication Procedures;
 - f) unless Macquarie agrees otherwise, send Macquarie an Authentication Request each time a Client wishes to purchase goods or services using their card from the Sponsored Merchant's website;

 - h) carry out any additional Authorisation procedures which arise out of Authentication of transactions and of which Macquarie or the Provider advises from time to time.
- 23.5 The Sponsored Merchant must not:
- a) change its gateway provider for payment services or any intermediary used for the purposes of the Authentication Procedures unless Macquarie has first approved the proposed change; or
 - b) without the prior written consent of Macquarie or the Provider, use or alter any logos, names, trademarks, get ups or holograms for a Card Scheme for or in relation to the Authentication Procedures.
- 23.6 If the Sponsored Merchant sends Macquarie either:
- a) a Non-Authenticated Transaction; or
 - b) an Incomplete Authentication Transaction,
- Macquarie may in its absolute discretion decide to accept the transaction for processing. If Macquarie does agree:
- c) Macquarie will process it as though the Sponsored Merchant were not participating in the Authentication Procedures and the usual Chargeback provisions in clause 17 of this Agreement will apply; and
 - d) Macquarie may, but is not obliged to accept any further Non-Authenticated Transactions or Incomplete Authentication Transactions from the Sponsored Merchant for processing.
- 23.7 If the Sponsored Merchant sends a Failed Authentication Transaction, Macquarie will reject it and it will not be processed.
- 23.8 The Sponsored Merchant acknowledges and agrees that:
- a) the Authentication Procedures are based on Card Scheme requirements which may vary from time to time. The Sponsored Merchant agrees to promptly comply with any variations which are initiated by the Card Schemes or are introduced by Macquarie and of which the Sponsored Merchant is notified in writing by either Macquarie, the Provider or the Card Schemes;
 - b) Macquarie or the Provider is not liable for any loss or damage (including indirect and consequential) the Sponsored Merchant may suffer or incur as a result of the relevant participation in the Authentication Procedures except to the extent that loss or damage

- or the loss or damage was caused by Macquarie's negligent acts or omissions;
- c) The Sponsored Merchant will be liable for any fines, penalties or similar costs imposed on Macquarie by a Card Scheme because of its conduct arising out of the Authentication Procedures;
 - d) if the Sponsored Merchant sends Incomplete Authentication Transaction it does so at its own risk and understands that in doing so Macquarie may Chargeback the transaction to it on the basis that the cardholder alleges that they did not purchase goods or services from the Sponsored Merchant on its website;
 - e) Macquarie or the Provider may decide to suspend or terminate its participation in the Authentication Procedures in their discretion (acting reasonably); and
 - f) once it is no longer approved to carry out payment services, it will no longer be entitled to participate in the Authentication Procedures and must immediately return to Macquarie the password and any other materials issued to it, including without limitation any guides and manuals regarding the Authentication Procedures which Macquarie or the Provider may have provided to the Sponsored Merchant.
- 23.9 The Sponsored Merchant must comply with any additional terms and conditions Macquarie or the Provider prescribes from time to time in relation to software that may be supplied to the Sponsored Merchant in relation to the Services.
- 23.10 The Sponsored Merchant acknowledges and agrees that notwithstanding that a Client has been issued with a card, or that a transaction has been processed or an Authorisation has been given (either by telephone or electronically), that Macquarie has not guaranteed:
- a) the Client's creditworthiness;
 - b) the correct identity of the Client;
 - c) that the transaction is valid and acceptable and will not be subsequently charged back or reversed; nor
 - d) that the Sponsored Merchant has complied with its obligations under this Agreement.

- 24.2 The Sponsored Merchant must:
- a) only use the Intellectual Property for the purpose of and in the course its business;
 - b) immediately bring to the Provider's notice any acts or threatened acts of infringement or attack on validity of any of the Intellectual Property which may come to its attention;
 - c) not assign, licence or encumber the Intellectual Property;
 - d) not register or record or attempt to register or record anywhere in the world any of the Intellectual Property or any inventions, patents, trade marks, copyright or

- e) designs derived from or similar to the Intellectual Property or aid or abet anyone else in doing so; not, at any time during the Term or after termination, use, deal with or take advantage of the Intellectual Property.

- 24.3 Any discovery, invention, variation, modification or improvement to the Intellectual Property, whether attributable in whole or in part to the Sponsored Merchant, will become and remain the Provider's property and form part of the Intellectual Property.
- 24.4 The Sponsored Merchant hereby assigns to the Provider any intellectual property rights referred to in clause 24.3 that the Sponsored Merchant may create or acquire.

25. SCHEME RULES BRANDING

- 25.1 The Sponsored Merchant acknowledges and agrees that:
- a) the relevant Card Scheme is the sole and exclusive owner of that Card Scheme's branding, trademarks and other intellectual property;
 - b) the Sponsored Merchant will not contest the ownership of the branding, trademarks or other intellectual property of the Card Schemes;
 - c) a Card Scheme may at any time and for any reason, immediately and without advance notice, prohibit the Sponsored Merchant from using its branding, trademarks or other intellectual property;
 - d) the Card Schemes have the right to enforce any provision of the relevant Scheme Rules and to prohibit the Sponsored Merchant or the Provider from engaging in any conduct that the relevant Card Scheme considers could injure, create a risk of injury or otherwise adversely affect that Card Scheme (including its interchange system and its confidential information); and
 - e) it will not take any action that could interfere with or prevent the exercise of these rights by the relevant Card Scheme.

26. USING THE SYSTEM

- 26.1 The Provider agrees to grant the Sponsored Merchant unlimited access to the System on the condition that the Sponsored Merchant uses the System in accordance with the terms of this Agreement.
- 26.2 The Provider has the right to upload and download data from the systems in accordance with the terms of this Agreement.
- 26.3 The Sponsored Merchant acknowledges that the security of data and systems is fundamental to the Provider and a security breach may affect the Provider's duties to its Clients, relationships with its employees and legal obligations.
- 26.4 The Sponsored Merchant must ensure that its employees, contractors, sub-contractors, and any other relevant person (**Personnel**):
- a) only use the Systems for the purpose of accessing the Services;
 - b) comply with the Provider's reasonable directions in respect of security;
 - c) take all reasonable steps to ensure that the System is protected from unauthorised access, use, modification, or misuse, disclosure, damage or destruction;
 - d) notify the Provider immediately upon becoming aware of any unauthorised access to or use of the System and do everything possible to minimise and

mitigate the effect of such unauthorised access or use;

- e) take all reasonable steps, including those consistent with good industry practice to ensure that no virus or cyber-security weakness is introduced into the Provider's systems or platforms.

26.5 The Provider may, in its absolute discretion, suspend the Services (including the Sponsored Merchant's access to the System) if:

- a) the Sponsored Merchant materially breaches the terms of this Agreement;
- b) the Agreement is terminated in accordance with clause 28; or
- c) it is otherwise unreasonable for the Provider to continue providing the Services.

27. PRIVACY

27.1 All terms within this clause have the same meaning as provided in the Privacy Laws.

28.2 The Provider may, at its discretion or at the direction of Macquarie or an Card Scheme, terminate this Agreement with immediate effect if the Provider, Macquarie, or the relevant Card Scheme considers that there has been any fraudulent or otherwise wrongful activity in respect of the Sponsored Merchant in connection with its facility, or if the Provider is required to do so by a Card Scheme or by Macquarie under the Scheme Rules or as required by the agreement between the Provider and Macquarie.

28.3 Otherwise, subject to the remaining provisions within this clause 28, this Agreement may be terminated at any time and for any reason by mutual written agreement between

the Sponsored Merchant and Provider upon one (1) month written notice being provided to the other party.

29. CONSEQUENCES OF TERMINATION

29.1 Termination of this Agreement does not relieve a party of liability to the other party in respect of rights or remedies of the other party which have accrued prior to termination.

29.2 Notwithstanding clause 29.1, on termination of this Agreement:

- a) for a period of two (2) weeks commencing after the date of termination or expiry of the Agreement, the Provider may, if reasonably required, assist the Sponsored Merchant in transferring Client information (including Direct Debit Requests) from the System to the Sponsored Merchant or the Sponsored Merchant's replacement service provider. - f) the Sponsored Merchant must not copy, retain, store, record, document or computerise any part of the Intellectual Property;
- g) the Sponsored Merchant will not be entitled to any compensation for any loss suffered by it resulting from the termination of this Agreement.

30. LIABILITY

30.1 To the maximum extent permitted by applicable law, the Sponsored Merchant acknowledges that any services supplied to it (including the Services under this Agreement) are supplied on an 'as is' basis. The Provider expressly excludes all representations or warranties, conditions or guarantees, express or implied, in fact or at law, with respect to such services or the subject matter of this Agreement, including in relation to title, merchantability, fitness for purpose and non-infringement. Where such terms are statutorily implied and cannot be excluded, the Provider's liability is limited to the fullest legally permissible extent.

30.2 The Provider will not be liable to the Sponsored Merchant or any third party for any consequential, incidental, indirect, special, punitive or exemplary damages, or for damages related to loss of profits, opportunity, revenue, goodwill,

anticipated savings, inconvenience or any losses of a type referred to in paragraph 7.3.

30.3 Without limiting the generality of paragraph 7.2, to the maximum extent permitted by applicable law, the Provider will not be liable for:

30.5 The limitations and exclusion of liability in this clause 30 apply regardless of the basis on which such liability arises, whether in contract, tort (including negligence), under statute, indemnity or otherwise) or under any other theory of liability. They also apply whether or not the relevant loss or damage was foreseeable and whether or not the Provider had been advised of the possibility of the loss or damage.

30.6 Notwithstanding the remaining provisions of this Clause 30, if the Sponsored Merchant is a consumer nothing in these terms restricts, limits or modifies the Sponsored Merchant's rights or remedies against the Provider for failure of a statutory guarantee under the ACL.

30.7 If the ACL applies to this Agreement, the maximum liability of the Provider is limited to either (at the sole discretion of the Provider):

- a) the re-supply of the relevant Services; or
- b) the cost of re-supplying the Services.

and the Special Conditions, the Special Conditions will prevail.

The remaining provisions of this Sponsored Merchant Agreement are and will continue to be valid and enforceable in accordance with its terms.

33.5 (**No Waiver**) No failure to exercise and no delay in exercising any right, power or remedy by the Provider under this Agreement will operate as a waiver, nor will any single or partial exercise of any right, power or remedy by the Provider preclude any other or further exercise of that or any other right, power or remedy.
